

PORTAL INTRODUCTION

WHO WE ARE

Fxstreet.cz is the **first independent server** devoted to **FOREX trading** in the Czech and Slovak republic. We are the biggest **trader community portal** in the Czech and Slovak republic that targets those **who actively trade on financial markets as well as longer term investors**. We have been successfully trading forex for many years and have gained ample experience.

We publish and educate not only on the internet – we have already published three very popular books about forex. We provide variety of educational seminars that help traders become more profitable so they come back to our portal for additional information.

What you can find on our portal

- ✓ **Technical articles** for beginners as well as advanced traders
- ✓ **Forums** where traders share news and experience
- ✓ **Education** in form of seminars, on-line and even personal mentoring
- ✓ Specialized **books and useful tools**
- ✓ **Blogs** where users share their views
- ✓ Most **Up to Date** forex **news**
- ✓ **Weekly** macroeconomic calendar and analysis

We have published

OBJECTIVES OF FXSTREET.CZ PORTAL

We invest substantial amounts in our ongoing education which allows us not only to become more profitable but also to help beginner and professional traders grow. We **aim to teach** our clients and readers how to **start trading forex** and how to **become successful traders**.

Our goals

- ✓ **Create a community** of successful traders
- ✓ Produce and publish **content of the highest quality**
- ✓ Achieve the highest ranking in search engines
- ✓ Publish the **most relevant news** each day
- ✓ Partner with other important portals
- ✓ Sponsor FX workshops and meetings
- ✓ Publish **industry leading books** devoted to trading financial markets

POSSIBLE COOPERATION

Work with us and you achieve the best targeted advertisement for financial traders in the Czech and Slovak republic. What types of cooperation do we offer?

Advertisements and cooperation

- ✓ Large format **banners**, **media rich** advertisement and **hyperlinks**
- ✓ Attractive possibilities of **partnerships**
- ✓ Advertising with the highest ratio of “impact/price”
- ✓ Favorable **advertising packages**

ADVERTISING OPTIONS AND WHY YOU SHOULD ADVERTISE WITH US

Your advertisement will reach sophisticated, high net worth audience. Visitors of our portal belong to the most affluent users of the Czech internet. We will help you tailor your campaign in the most professional manner.

1 Affluent target audience

Readers of Fxstreet.cz portal are mostly **people that already trade** or people that are likely to start trading or investing in financial markets. They have excess capital and are willing to accept higher level of risk when investing. Readers of Fxstreet.cz are sophisticated people who are interested in news and finance. They are not the common internet user who is only looking for an entertainment..

2 Full advertising service

Part of each campaign is full evaluation and statistics. Our specialists will gladly help you with creation of targeted campaigns and recommend approach that is most suitable to your needs.

3 Image

Financial portal FXStreet.cz has become trusted source of information. Our readers view all information, advertising included, as reliable and dependable.

4 Individual approach

We approach each client individually. To us, **every advertising campaign is equally important** because we know that even small campaign can turn into long term, mutually beneficial relationship.

5 Professionalism

We care about our readers because we know that our readers can help you achieve higher sales. In case we become doubtful about the message or the success of your campaign, we will provide you with professional assistance. We therefore assure **the best use of your marketing budget**.
